### All About Color

- Practice mixing colors on your computer at [bbc.co.uk/cbbc/games/colour-factory-game](http://bbc.co.uk/cbbc/games/colour-factory-game)
- Make a rainbow of color with milk at [bit.ly/milk-rainbow](http://bit.ly/milk-rainbow)
- Test your color vision at [colorvisiontesting.com/ishihara.htm](http://colorvisiontesting.com/ishihara.htm)
- Read about the history of the color wheel at [bit.ly/color-history](http://bit.ly/color-history)
- Read about people who see differently at [wonderopolis.org/wonder/do-you-see-what-i-see](http://wonderopolis.org/wonder/do-you-see-what-i-see)

Look up a picture of Vincent Van Gogh's Starry Night – Try to imitate his style of brush stroke and use of vivid colors.

### Creativity

Complete a creative writing of a story to go along with Starry Night. Remember to use a beginning, middle and end. Use what you have learned about creative writing incorporating a problem, climax and solution. Write your rough draft. Reread your story. Make necessary corrections. Re-write the story. Read the story to someone in your home. Hang your final copy on your refrigerator along with your Starry Night picture.
