

WOODLAWN ELEMENTARY 4TH GRADE PRESENTS

The Greatest Show (case)

Since we aren't at school right now and can't start working on our Spring Showcase rehearsals, I decided to do an online version of one of our big musical numbers! We will all record our own video doing the same choreography, then I will put all of our individual videos together into one. Then I'll send it to your teachers and post it on the Woodlawn Elementary PTO page so our school can still enjoy Spring Showcase 2020!

DATES:

3/27/20: MS. FEUCHT SENDS CHOREOGRAPHY

3/27/20-4/3/20: STUDENTS REHEARSE CHOREOGRAPHY

4/3/20-4/10/20: RECORD YOUR VIDEOS

4/10/20: ALL VIDEOS ARE DUE

Directions:

1. Watch my video
2. Listen to the song and try to learn the lyrics ("The Greatest Show" from *The Greatest Showman* soundtrack)
3. Practice the choreography using my video (pretend like it's a mirror)
4. Come up with YOUR special circus skill
 - a. Acrobat, hula hoop, juggling, dance moves, jumprope, balancing on an imaginary tightrope, acting like a circus animal, a cool trick on your bike or scooter, being silly like a clown, a magic trick, or ANYTHING YOU CAN THINK OF!
 - b. Make sure that it is safe and your parents approve!
5. Create a costume for your circus character. Be creative! Use stuff from home. Maybe lots of fun, bright colors? Or you can be a circus animal! Use your imagination--anything you come up with is great! Make sure that whatever you choose makes you feel like YOU!
6. Create a set. Make some sort of circus background using things from home. Again, get creative and use your imagination. Maybe it's a blanket that looks like a tent or some holiday strings of lights.
7. Record the video and email it to me!
 - a. My email: gfeuchte@eberschools.org

*If you do not make a costume or set, DO NOT WORRY! The video of you dancing and singing is the most important part. Costumes and sets are OPTIONAL.

**Your siblings/friends/cousins/parents who are at home with you can learn the dance as well and can be in the video with you!

***If it is easier to record your special skill or trick and send a separate video of just your special skill, you may. *Make sure you also send the one with your choreography in it!* I need that for the big group video!
