

APRIL 3, 2020

Dear Parents,

Mrs. Christy Charalambous and Mrs. Weidman miss all of our speech students very much. We hope all of our students and their families are safe and healthy.

Attached to the web page in the speech link you will find activities to work on with your child while distance learning is occurring. There are two links, one link includes activities for language development and the other link is for articulation skills. Please feel free to peruse both links. If you have any questions, contact either of the speech therapists. Mrs. Christy's email is CBoudreau1@eBRschools.org and Mrs. Weidman's email is DWeidman@eBRschools.org.

We want to do all we can to support you and our students during these unusual circumstances. Please do not hesitate to contact us with any questions or concerns. We attempted to make some fun activities for you and your child. These activities were developed as a supplement and we would like them to be enjoyable and provide speech and language support. We hope you enjoy these activities with your child and remember as a parent/guardian you are your child's best model for communication! We look forward to seeing you and our students as soon as we can!

Thank you,

Christy Charalambous, M.A., CCC-SLP

Dara Weidman M.S., CCC-SLP
